

***ONE train – a world of experiences!***

## **TRAVEL RULES – FOR YOUR AND OUR SAFETY!**

**Our aim is to provide a safe environment for all. Your assistance in achieving this is appreciated.**

**FIRST AID KITS, FIRE EXTINGUISHERS AND TRAINED CERTIFICATED CREW MEMBERS** are on board to offer assistance.

**NO SMOKING** is allowed on the train, which includes the balconies on some of the coaches.

**NO ALCOHOL** is allowed to be brought on board. The **APPLE TAVERN** and **LOUNGE CAR** offer bar facilities to persons 18 years and older.

The coaches date back to 1902, and are equipped with period bell-buffers, couplers and have a vacuum brake system. The vacuum brake system fails to safe, and in the event of the train couplers parting en route, the train will automatically come to a stop.

**A moving train can be dangerous**, and we request all passengers to be safety conscious at all embarking and disembarking points, especially at any photo-stops.

Please **do not open the doors until the train has come to a complete stop**. Do not alight from a moving train. **Do not stand on the steps while the train is in motion**. Be aware at all times.

Please **keep coach doors closed when moving**, and be aware that the **doors are heavy and can easily injure fingers** placed in the wrong place.

To avoid injury to yourself, please **be careful when putting your head out of the window** as trees and undergrowth can be growing close to the track.

Most stations have no, or limited, low platform surfaces. **Please use caution when alighting** and be careful of uneven surfaces.

**Please DO NOT throw sweets, money or other objects to or at children or other spectators alongside the line. Scrambling for objects thrown from the train could cause a child or person to fall under the train whilst in pursuit of such objects.**

**Please comply with all instructions issued by the Train Manager, Coach Controllers or Passenger Relations Officer (PRO) on duty.**
